Department of Campus Recreation
Club Sports Release Form

This form must be completed before an individual can try-out or participate in any practice or competition.

I, the undersigned hereby acknowledge that certain risks of injury are inherent to participation in club sports activities. These types of injuries may be minor or serious and may result from one's own actions, the actions of others, or a combination of both. I understand that Club Sports are student organizations and as such are not a part of the Varsity Athletic program at Millersville University.

I understand that Millersville University does not provide coaches or instructors for club sport activities, and that any coach/instructor involved in a club sport is doing so solely at the wishes of that particular club. I also understand that Millersville University is not responsible for the actions or behaviors of any coach/instructor appointed by the club named below. I also understand that the coach/instructor is only responsible for game and practice management and is not responsible for the behavior of club members prior to or after the game/practice officially begins.

In consideration of Millersville University's permitting me to practice, play or try out for the Millersville University FENCING GUILD and to engage in all activities related to the team, including practicing, playing and traveling, I hereby voluntarily assume all risks associated with participation and agree to exonerate and save harmless Millersville University, their agents, servants and employees, from any and all liability, claims, causes of action or demands of any kind and nature whatsoever which may arise by or in connection with my participation in any activities related to Millersville University Club Sports. The terms hereof shall serve as a release and assumption of risk for my heirs, estate, executor, administrator, assignees, and all members of my family.

I testify that I am in good health and able to undertake a general club sport program. I have read the statement of hazards and risks above to which I will expose myself by participating in the club named above. I understand the risks of my participation and have carefully considered those risks. In consideration of the right to participate in a club I do hereby release the President and Trustees of Millersville University, all officials, agents and employees of Millersville University, from any responsibility or liability for personal injury or property damage sustained by me during or because of participation in the activities of the club.

I understand that Millersville University recommends that all sport club participants have an annual physical examination. Furthermore, I understand that medical and accident insurance is not provided by Millersville University for students participating in club sport activities. I understand it is my responsibility to check with my own insurance carrier to see if club sports participation is covered under my plan, for the duration of my participation and that all injuries suffered during my participation in a club sport activity are solely the financial responsibility of my insurance carrier and not the responsibility of Millersville University in any way, shape or form. If I do not have insurance coverage, I understand all injuries suffered during my participation in a club sport activity are solely my financial responsibility and not the responsibility of Millersville University in any way, shape or form.

If you are under the age of 18, you cannot participate in this sport until a signed statement from a parent or guardian is received by the Department of Campus Recreation approving your participation in this sport.
